**MEMORANDUM**

TO: State Board of Education

FROM: Michael P. Flanagan, Chairman 

SUBJECT: Report on Modifications to the Previously Approved Genesee Intermediate School District Plan for the Delivery of Special Education Programs and Services

Pursuant to Section 380.1711 of the School Code of 1976, each intermediate school district (ISD) must develop, establish, continually evaluate, and modify its Plan for the Delivery of Special Education Programs and Services (Plan). Approval indicates that intermediate school districts' and local constituent districts' special education programs and services described in the Plan meet standards which are consistent with federal and state requirements. Approval also allows ISDs to receive reimbursement pursuant to the State School Aid Act.

Staff have reviewed, and I have granted approval of the Genesee Intermediate School District Plan for the Delivery of Special Education Programs and Services modifications. See Attachment A for a summary of the Genesee Intermediate School District Plan for the Delivery of Special Education Programs and Services Plan modifications.
